1. Cassian Report - Mike

Step above a stray - no training, no socialization. Being fostered by Marcella. Discussed training, neutered, vet bills - voted on by board. Linda was his first home - didn't work - 6 month old puppy, rough housing resulting in bruises. Behavior did not improve with 6-8 miles/day.

Julie was the next home in Benson - Home visit, lengthy conversations, ultimately failed - have a medical alert dog and Cassian was distressing/distracting that dog.

Sydney is the only current option and is the best choice.

Joan's concerned about how members / IRS will see the money for training "going to a board member"

Marcella - motion for Sydney to adopt, Joan 2nd. Passed by majority vote.

2. Discussion on Bylaw changes

Marcella to make copy with changes and send out to the Board for

approval

Marcella motion to adjourn 6:59
